January 26th Membership Dinner a Huge Success!

This special edition of the Relay Chatter is dedicated to our Members and Business's that supported us. We wanted to share the pictures of this event with all of you. Just imagine what next year will be like as it's also our 50th Anniversary.

Our Member Appreciation dinner held at the Rialto Square Theater on Sunday January 26th was a huge success. The JATOE board honored all of our members for their continued support. The theme, "WE CELEBRATE YOU!" was certainly fitting. The response of our surrounding businesses when asking for donations for this event was fantastic- over \$500.00 worth of prizes. We want to thank them all for their support of JATOE. Dave Calendine, ATOS Chairman & President was our guest artist for this special event and experienced first hand what JATOE is all about. Now the largest chapter in Illinois, we continue to grow as people find out about us, what we have to offer and what we do. All this is possible because of you, our members. The Herald News was there to cover the event and the article should be in the January 31st edition of the paper.

Dave started our celebration out with a program of all the beloved songs of Disney. After Dave's tour of Disney concert, everyone moved into the rotunda for a dinner of Fried chicken, BBQ pulled pork and all the delicious dishes brought by our members. We had a great time celebrating our great people. We hope you enjoy this special edition of the Relay Chatter.

WINNERS! WINNERS! WINNERS!

All of our members are winners -that's for sure.

We are grateful for the local businesses that support JATOE! We had over \$500 in prizes they donated.
