## Rialto Will Close Again for the Summer of 2026

Once again the Rialto will close for the summer, right after their last 100th Anniversary Celebration on May 14th until the middle of September to replace the heating and air conditioning systems. If you remember they closed for the summer last year for the bathroom renovations and then the asbestos fiasco hit. The summer time is the theaters slowest time of the year. Lets hope all goes well for them this summer.

Your Annual Membership Dues can be paid at any social. Attached is the form to fill out to mail them to Jim Patak. Please pay by March 31st.

Thank You for your continued support!
